

To all MSERA friends who have shared loving sentiments of Harry,

I am very appreciative of the numerous telephone calls, emails, cards, online tributes, personal visits with several of the MSERA family, and the lovely floral arrangement from MSERA. The kind words and actions have brought me comfort and are treasured. Harry enjoyed both his longtime and current relationships with his many MSERA friends and always looked for ways to serve you.

My MSERA family will always remain close to my heart as I hope Harry will remain close to yours.

Fondly,

Debbie Bowman
